### Bin the bottle/Dump the Dodee

Dear parents, after consultation with the Speech Therapists the advice given to parents is to have their children off bottles and dodees ASAP. We will be telling them stories about Santa leaving extra special presents for big boys and girls who don't use bottles or dodees! If you would like to use this opportunity to encourage your child to do so please join us in a fun way to encourage it! There will be bins available from Thursday 13<sup>th</sup> to Tuesday 18<sup>th</sup> December for collection of bottles and dummies - just in time for Santa to collect them! Our official Bin the Bottle/Dump the Dodee Day shall be Tuesday 18<sup>th</sup> December - certificates will be awarded! Please feel free to use this opportunity to encourage your children to give up any bottles or dodees in time for Santa!

### Talking Tip

Help your child develop good language and communication skills with this tip:

Gain your child's attention when you want to talk, eg call their name, ensure they give you eye contact.

You can help your child at home by ...

- 1) Talking to your child about the first Christmas – the birth of Jesus.
- 2) Discussing safety awareness in shops during this festive season.
